Attention: Mr. Pete Brunson

Subject: Permission to dispose of Waste Oil

Gentlemen:

Regarding our phone conversation of June 8, 1973. We would like to dispose of our Waste Oil. Type of oil we would be disposing is (1) Syn-a-Sol #98, a water soluable oil and (2) Sohio Factor's #47 a hydraulic oil. We would have Solon Disposal haul the oil in 55 gallon drums.

Please advise what the cost would be per drum.

Very truly,

THE CYRIL BATH COMPANY

W. C. Dickey
